

# METAL KLEEN

**METAL KLEEN** is an effective, fast working, NON-TOXIC biodegradable cleaner for stainless steel. Cleans hard to remove corrosion. Will also remove lime, rust and water spots. Anti-Static. For chrome, porcelain, tile, brass, copper, bronze, Formica, fiberglass, crystal, and plate glass. Excellent rust remover from all surfaces. Leaves no oily residue.

## **GRILLS**

- 1) For use on grill surface, clean grill first with ALL PURPOSE KLEEN degreaser.
- 2) Cover grill with a thin coat of water, sprinkle METAL KLEEN over grill.
- 3) Polish grill with a grill pad. Do no over use water but keep the grill surface wet.
- 4) Pull liquid off grill surface with grill squeegee and wipe with clean damp towel.
- 5) With clean paper towel, rub a small amount of oil over grill surface.
- 6) Wipe grill clean before using again.

## **POLISH**

- 1) On hard to clean, hard water and rust stained areas, use wet clean cloth with METAL KLEEN by making a paste.
- 2) Always clean with the grain of the metal.
- 3) METAL KLEEN will remove lime, rust from metal and plate glass.

## **HIGH PRESSURE WASHERS**

- 1) Add 6 oz. for every gallon in reservoir of high pressure spraying equipment.
- 2) Use equipment as you normally would
